 SRF Questions for Teck_5 1 20.docx

Hi All,

Attached are the questions I put together (with Patty's review) based on Barb and Bob's write-ups and the meeting we all had. Since the meeting with Teck is now scheduled for next Tuesday and we'd like to get the questions to them a few days in advance, I was hoping folks could review these by this Thursday COB. If that's not doable, please let me know. So sorry for the quick turnaround.

Thanks,

Julianne
